

WISCONSIN VOLLEYBALL CAMPS

2022 Individual Positions and Serving Camps

Thank you for your interest in our Positions and Serving Camps for 2022! While our Positions and Serving camps are actually two separate camps that we offer, many campers will add our Serving Camp to their day. Below we included all of the information for individuals that attend just a Positions Camp, just a Serving Camp, or attend both camps in one day.

During the course of our Wisconsin Positions camps, campers to receive 100s-1000s of repetitions of skill training in the position that they register for. We offer three different positions during registration: Hitting, Libero/Defensive Specialist, and Setting. This one-day camp includes training on the techniques from beginning to elite level play including individual skills and strategies. From the feet to the hands to the mental aspects of being a better player, campers get a comprehensive breakdown on the specific skills needed at their position.

Below is the schedule outline for both of our Badger Camps in 2022. This may be updated slightly as we confirm our final details, but we wanted to give you an early outline of what to expect for camp for this summer.
