

WISCONSIN BADGERS

BADGER SPORTS CAMPS || RECOMMENDED PARKING PACKET

Hello Badger Sports Camps participants!

On page 2, you will find a list of all our possible check-in locations for all Badger Sports Camps programmings! Beneath each location, we have listed its nearest parking garages/lots. We encourage participants to research parking restrictions for each lot prior to arriving at camp.

Due to other activites taking place on/off-campus, the recommended garages/lots may be full during camp hours. We encourage all participants to allow themselves extra time to find extended parking.

If you are hoping to guarantee a parking spot during camp, we recommend ordering a daily parking permit ahead of time. Please see page 3 for further instructions.

Please note, Badger Sports Camps is unable to guarantee the approval of parking permits, along with the amount of permits available per lot. Badger Sports Camps is not financially responsible for any tickets issued while parking on/off-campus. All participants/families are responsible for confirming the availability of each parking location, and are responsible for reviewing the rules & regulations posted online and onsite by transportation services.
